

Brainiak Platform

Step-by-Step User Guide

Platform Access:

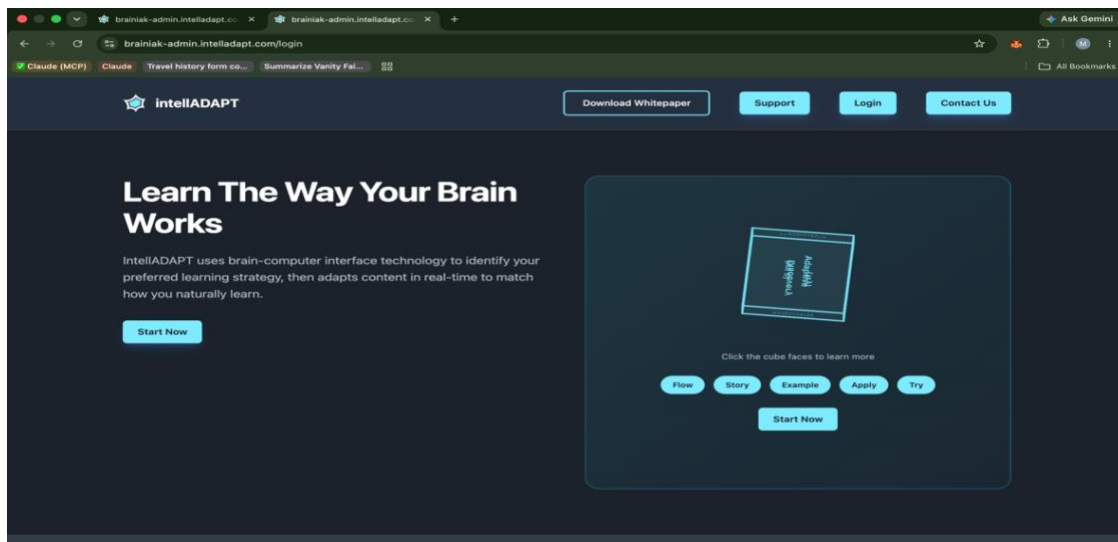

<https://edwise.intelladapt.ai/>

Step 1: Logging In

Open your browser and go to <https://edwise.intelladapt.ai/> to access the intellADAPT Brainiak platform.

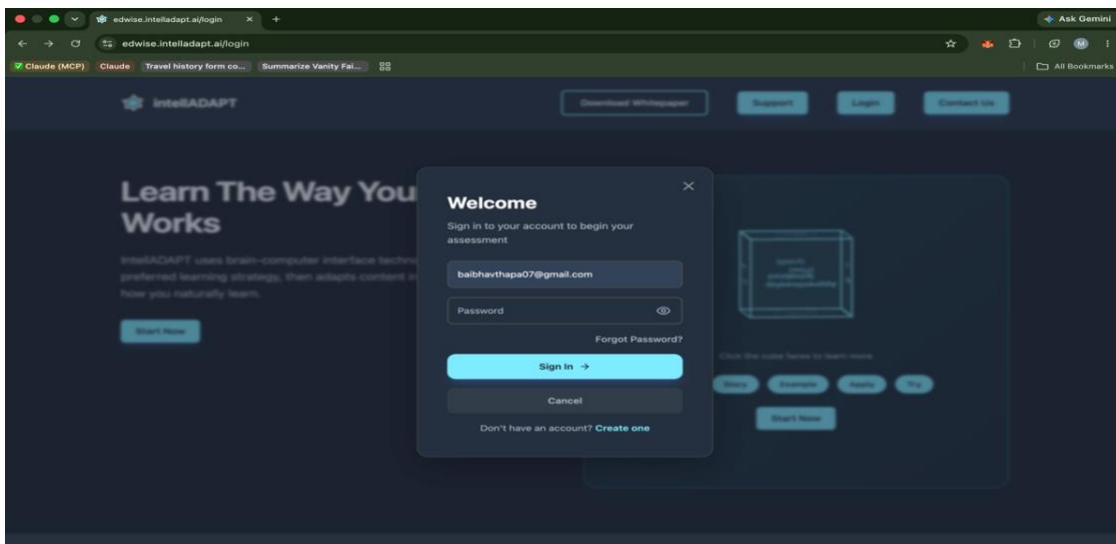

1

Click the Log In button on the homepage.

2

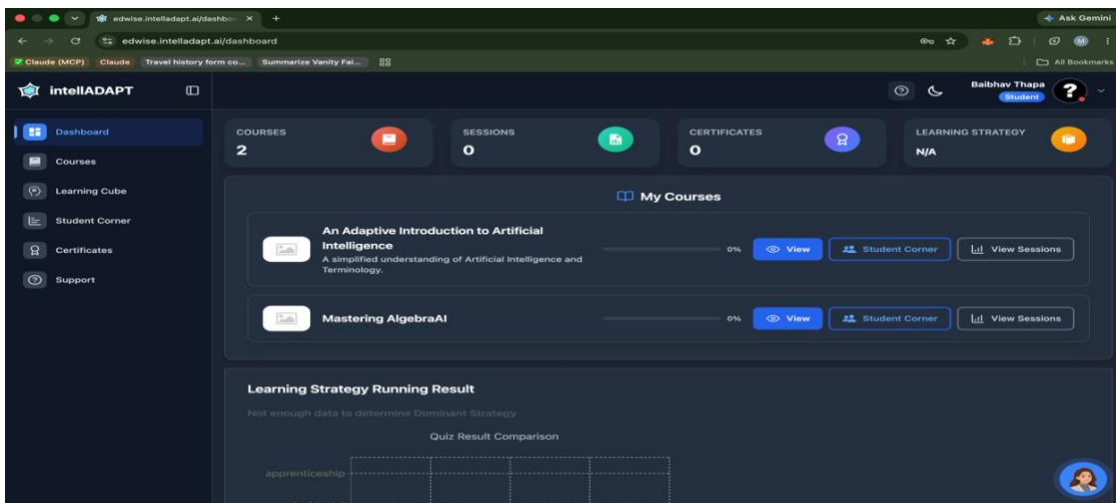

Enter your registered email address and password, then click Sign In.

Note: If you have forgotten your password, you can reset it from your Profile settings after logging in.

Step 2: Navigating the Dashboard

After a successful login, you will be automatically redirected to your personalized Dashboard.

From the Dashboard you can:

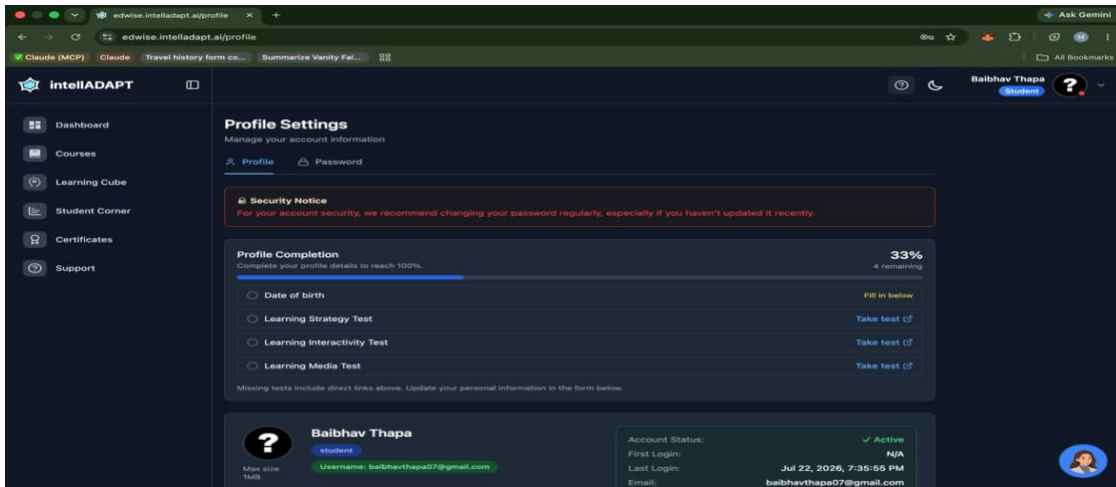

- Access your Courses
- View your Session Reports and progress
- Navigate to your Profile settings
- Enable Brainiak Mode to connect your headband
- Enable or disable the AI Assistant Sally

Step 3: Profile Settings

You can manage your account settings, update your password, enable Brainiak Mode, and control the AI Assistant Sally — all from your Profile.

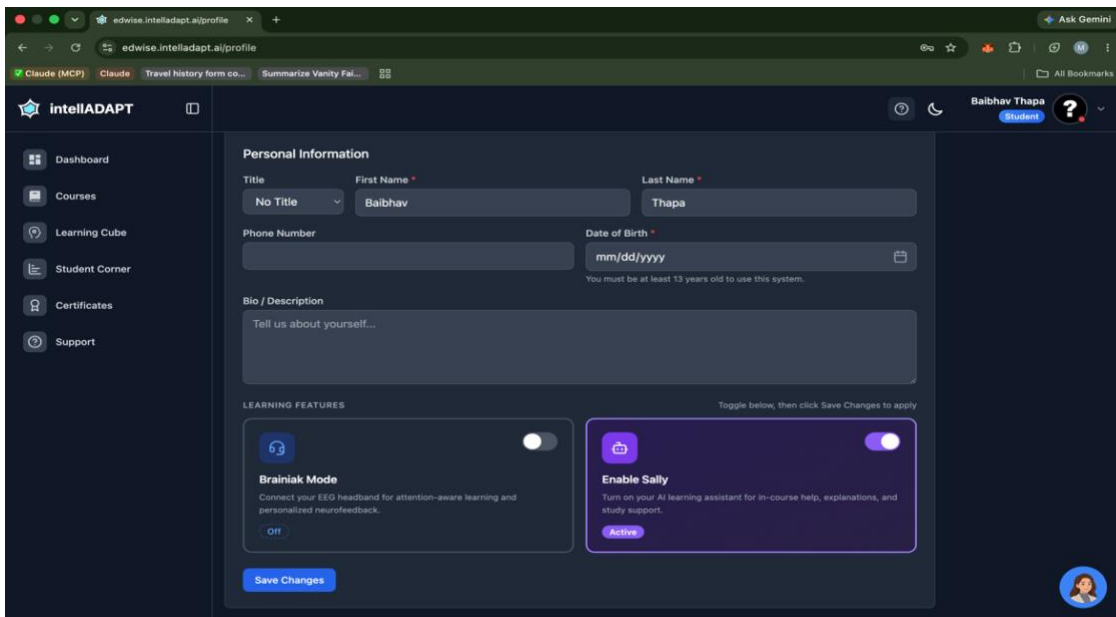

1

Click on your Profile icon or name in the navigation menu.

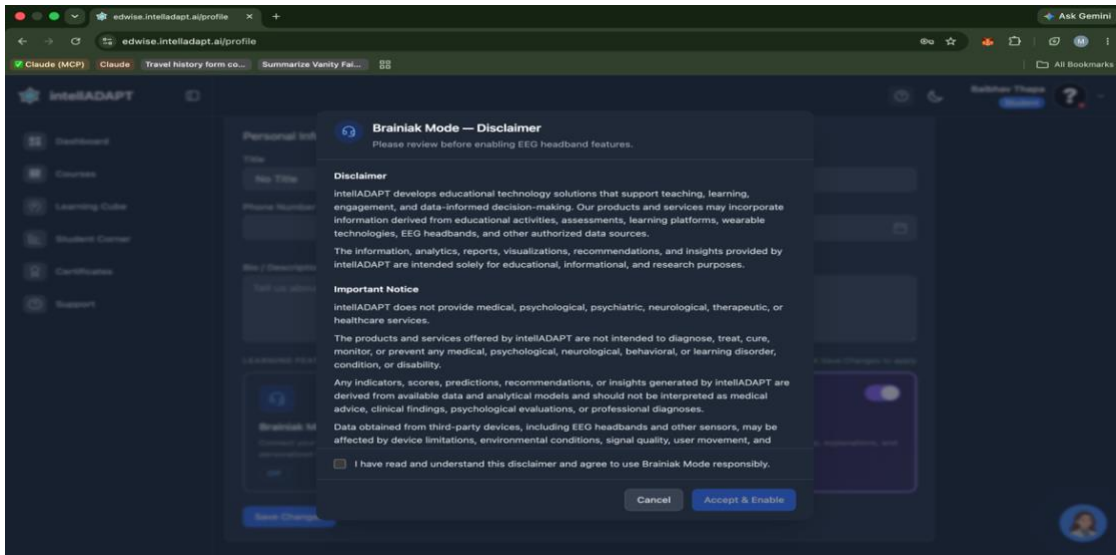

2

Update your password in the Password section.

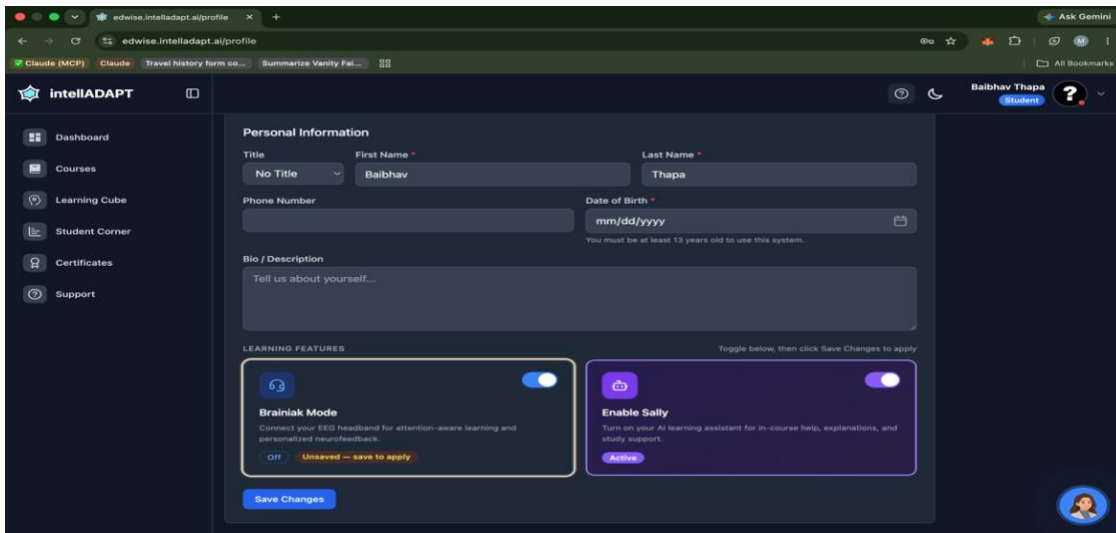

3

Enable Brainiak Mode to connect your EEG headband.

4

Enable or disable the AI Assistant Sally using the toggle.

Note: Brainiak Mode must be enabled here before you can connect your headband during a course session. Sally can be toggled on or off at any time.

Step 4: Instructor Corner — Visualizations

The Instructor Corner provides educators and administrators with powerful data visualizations and real-time insights into student performance across the class.
